AUTUMN/WINTER

2023

collection

Viki

Elegance and timeless design are the motto of this collection. This collection uses neutral Black & White colors. The printed material is houndstooth - for generations it has been considered an extremely chic, elegant and fashionable pattern.

collection

Bambi

The beauty of nature and the delicacy of print are the motto of this collection. Especially for the Bambi collection, we created a forest print in graphite on a beige background using the "shadow" method. The print shows lying animals, including: bears, deer, roe deer and birds.
The remaining colors are always fashionable bottle green.

collection

Olaf

Olaf collection - delicate print and subdued colors. Creamy printed "friends" material created with the youngest in mind. The universal print allows us to create sets of clothes for boys and girls. The collection includes clothes in solid sage and graphite colors. In addition to interesting styles, some products are decorated with buttons and eco-leather patches.
